eSOne InQuiry
Modern InQuiry as Default View

Release Notes

What's New?

DeliverHealth is thrilled to announce that starting July 8, 2024, you will be greeted with the modern InQuiry experience by default upon log in! This new interface is designed with you in mind, offering easier navigation and a suite of exciting new features to enhance your productivity.

Benefits of Modern InQuiry

- ➢ **Sleek, Modern Look:** Enjoy an updated, visually appealing design that enhances usability and provides a more intuitive user experience.
- ➢ **Customizable Dashboard:** Tailor your dashboard to fit your needs, ensuring that the most important information is always at your fingertips.
- ➢ **Patients Tab:** View your appointment schedule, record dictations directly in InQuiry, and create new documents without a dictation, all in one convenient location.
- ➢ **Scribe:** Access a live virtual scribe room with trained medical scribes to create documentation in real-time, enhancing accuracy and efficiency.

While we encourage you to explore and enjoy the benefits of modern InQuiry, we understand that transitions take time. Therefore, you will still have the option to switch back to classic InQuiry until September 30, 2024. Find the "Switch to Classic InQuiry" link in the Latest News card on the Home tab.

Important Dates to Remember

➢ **July 8, 2024**: Modern InQuiry will be the default view when logging in to InQuiry. Classic InQuiry will be accessible via a link in the Latest News card on the Home tab.

➢ **September 30, 2024:** Classic InQuiry will no longer be available. From this date forward, modern InQuiry will be the only view.

We are committed to providing you with the best tools and experiences. Modern InQuiry represents our dedication to continuous improvement and innovation. We believe you'll find it to be a significant enhancement to your workflow.

Thank you for being a valued InQuiry user. Stay tuned for more updates and get ready to experience the future of InQuiry!
